SECTION III - RECOMMENDATION

Please provide any comments that you feel might assist us in making a decision concerning the applicant's suitability for a summer undergraduate research program. Please pay particular attention to (1) The motivation and commitment of the student to a career in chemistry or chemical engineering; (2) class standing compared to other students in your department. (3) a general assessment of the strengths and weaknesses of the candidate; (4) applicants ability to adapt to supervision, and to work in a team setting.
